Please complete this form and return it to the team rep by the Tuesday prior to the missed Saturday meet. Please do **NOT** give this form to the coaches—they have enough to focus on. The team rep will compile the dates and pass any absences along to the coaches for seeding purposes.

It's really important to alert the team as soon as possible if you know your swimmer will be absent, especially for a Saturday meet. Seeding for Saturday meets takes place on the prior Tuesday and must be completed by that Wednesday. It is difficult to fill empty lanes at the last minute, and we never want to deprive another swimmer of a chance to swim if a lane is available. Thanks!
